ALEXANDRIA, VA. WEDNESDAY EVENING, FEBRUARY 2, 1910.

PRICE 2 CENTS

If You Read This

It will be to learn that the leading medical writers and teachers of all the several schools of practice recommend, in the strongest terms possible, each and every ingredient entering into the composition of Dr. Pierce's Golden Medical Discovery for the cure of weak stomach, dyspepsia, catarrh of stomach, "liver complaint," torpid liver, or biliousness, chronic bowel affections, and all catarrhal diseases of whatever region, name or nature. It is also a specific remedy for all such chronic or long standing cases of catarrhal affections and their results, as bronchitis, throat and lung disease (except consumption) accompanied with severe coughs. It is not so good for acute colds and coughs, but for lingering, or chronic cases it is especially efficacious in producing perfect cures. It contains Black Cherry bark, Golden Seal root, Bloodroot, Stone root, Mandrake root and Queen's root—all of which are highly praised as remedies for all the above mentioned affections by such eminent medical writers and teachers as Prof. Bartholow, of Jefferson Med. College; Prof. Hare, of the Univ. of Pa.; Prof. Finley, of the Univ. of Mich.; Prof. Bennett, of the Univ. of Chicago; Prof. John King, M. D., of Cincinnati; Prof. John M. Scudder, M. D., of Cincinnati; Prof. Edwin M. Hale, M. D., of Baltimore; Prof. J. C. Jackson, M. D., of Chicago, and scores of others equally eminent in their several schools of practice.

The "Golden Medical Discovery" is the only medicine put up for sale through the medium of a public subscription, and is the best possible guaranty of its merits. A glance at this published formula will show that "Golden Medical Discovery" contains no poisonous, harmful or habit-forming drugs and no alcohol—chemically pure, triple-refined glycerine being used instead. Glycerine is entirely unobjectionable and besides is a most useful agent in the cure of all stomach, as well as bronchitis, throat and lung affections. There is the highest medical authority for its use in all such cases. The "Discovery" is a concentrated glycerine extract of native medicinal roots and is safe and reliable.

A booklet of extracts from eminent medical authorities, endorsing its ingredients mailed free on request. Address: Dr. J. C. Jackson, Buffalo, N. Y.

TILLMAN KEEPS THE CHILDREN.

Pending ultimate decision of the Tillman suit, the two little children of B. R. Tillman, jr., and Mrs. Lucy Dugas Tillman, will remain in the custody of Senator B. R. Tillman and his wife.

The chief justice of the State Supreme Court, in announcing in Columbia, S. C., yesterday morning, that no further arguments would be heard in the case, virtually made a verbal order denying Mrs. Tillman's motion that the children be given to her pending the proceedings.

No decision in the main case was rendered. The announcement that there would be no further hearing proved a keen disappointment to the crowd which gathered in the Supreme Court room early yesterday morning.

The case produced much discussion throughout the state, and numerous have been the denunciations of the law under which B. R. Tillman, jr., transferred custody of their two children to their grandparents. But the discussion has not been confined to mere verbal expressions. In the State Senate Monday night Senator Graydon presented a bill repealing the provision, which, he declares, is an injustice to mothers and a menace to the home.

CATHOLICS IN AMERICA.

There are 22,567,079 Catholics under the United States flag, according to advance sheets of the official Catholic Directory published in Milwaukee. The count includes the Catholics of the United States proper, Alaska, the Philippines, Porto Rico and the Hawaiian Islands. The Catholic population under the British flag, according to the same directory, is 12,053,418.

In the United States proper there are 14,347,027 Catholics, showing a gain of 111,576 over a year ago. The directory shows 4,845 parochial schools in the United States, with an attendance of 1,237,251.

The Catholic population of the leading states in the U. S. is as follows:
New York, 2,722,649; Pennsylvania, 1,494,766; Illinois, 1,100,000; from second to third place, with 1,443,752; Massachusetts, 1,373,772; Ohio has 619,265; Louisiana, 557,431; Wisconsin, 582,218; New Jersey, 496,000; Michigan, 489,451; Missouri, 452,703; Minnesota, 427,627; California, 391,500; Connecticut, 370,000; Texas, 288,917; Iowa, 242,009; Rhode Island, 242,000; Indiana, 218,758; and Kentucky, 194,296.

Sufferers who say they have tried everything without benefit are the people we are looking for. We want them to know from glad experience that Ely's Cream Balm will conquer Cold in the Head, Hay Fever, and obstructed nasal passages. This remedy acts directly on the inflamed, sensitive membrane. Cleansing, soothing and healing. One trial will convince you of its healing power. Price 50c. All drug stores, or mailed by Ely Bros., 56 Warren St., New York.

WANTED DAGGER IN HIS HEART.

The request in the will of Moses Harman, of Chicago, who died Sunday in Los Angeles, that his body be kept at least three days after death and that a dagger be driven through his heart to prevent the possibility of his being buried alive, will not be carried out.

"If father made any such request in his will," said his daughter, Lillian Harman, "I know nothing of it. At any rate I have telegraphed to Los Angeles to have the body embalmed and will start for that city."

Harman was a persistent advocate of the abolition of institutional marriage, which, he contended, made slaves of women.

He established a free thought paper in Valley Falls, Kan., 30 years ago and later published a paper along the same line in Chicago.

His fidelity to what he regarded as the sacred right of free expression caused him to be sent to the Federal penitentiary twice on conviction of sending improper literature through the mails. He was 80 years old.

CHRISTIANS AND CIGARS.

Tobacco as a means of winning men to the church was a suggestion made by Rev. Dr. Richard Earl Locke, pastor of the First Presbyterian Church, of Rutherford, N. J., at the annual banquet of the Presbyterian Brotherhood at the First Presbyterian Church, of Passaic.

Dr. Locke was the first speaker called upon after cigars had been lighted. "It feels good," said he, puffing at a cigar, "to be among a body of Christian men who have backbone enough to smoke a cigar. It argues well for religion, for man's religion. Nothing can be more conducive to good fellowship than the fragrance of a good cigar. It is an anomaly that our American religion certain branches of our Protestant churches utterly tabooed tobacco in the past. Such methods will not win men to Christ."

THE FIRE IN BALTIMORE.

The fire in the district in the vicinity of Canton avenue and Eden street Baltimore yesterday, as stated in the Gazette of that day, suffered a fire loss of \$250,000, covered by insurance. Six alarms were

sounded which summoned 22 engines, 7 trucks and the fireboat Cataract. While the fire was at its height over 3,000,000 feet of lumber was burning in one yard. The saving of the Standard Oil Company's supply was a spectacular feat of the fire-fighting. Two firemen were slightly injured.

The firemen fought against great odds and only by reckless daring did they succeed in subduing the flames, which, at times, leaped hundreds of feet in the air. Thousands of spectators were attracted to the scene and the roofs and windows of office buildings in the business center were crowded with people. The fire spread with great rapidity and burned for two hours before it was gotten under control.

THOUGHT HER MUFF ALIVE.

J. A. Spears, of Newbold, Chesterfield county, a fox hunting 'squire' of southern Virginia, started passengers on a train coming into Richmond yesterday by emitting a wild hullo as he arose from a nap. Friends ran to the man, who had leaped to his feet and was staring like a sleep walker at a handsome gray muff carried by a young woman passenger. The glittering eyes of a fox head had met his as Spears awoke.

Mrs. Katherine P. Shoemaker, wife of Louis P. Shoemaker, a prominent real estate dealer of Washington, was stricken with paralysis of the heart in her carriage while driving to her husband's office, yesterday afternoon about 5 o'clock, and died about an hour later in Emergency Hospital.

Upon being told of the death of his wife in a hospital in Lexington, Ky., yesterday afternoon, Clarence J. Fleming, a contractor, prominent in local affairs, committed suicide by shooting.

Furious racial fights occurred on the steamer Moschuria while she was bringing to San Francisco from the Orient 191 Hindoos, 358 Filipinos and 154 Chinese.
